

Following a major period of refurbishment a couple years ago, the ground floor foyer area has now been opened out to give a very light and airy feeling.

The reception desk has a very modern feel.

The bar has now been repositioned at one end of the foyer with a large open plan seating area.

Another seating area is at the opposite end of the foyer, for those quieter moments.

One of the many awards this hotel has been presented with recently.

## Dorset Branch BPS Convention Bournemouth
